ADULTS & STUDENTS VOLUNTEERS NEEDED

State COVID-19 health regulations and rules will be followed for large events.

All volunteers must show proof of vaccination. We do not keep copies of vaccination cards (printed or digital). Masks are required at all times.

We need many student and parent volunteers before, during and after the event from 11/11 through 11/14. Proceeds from the SWAP helps fund the Newport High PTSA grant program: supplies, equipment, enrichment programs, mental health resources, field trips that benefits all students.

The volunteer jobs are simple and does not require any snow sport or ski knowledge. **Scan the QR code for Signup Genius for volunteer days and times and volunteer for one or more time slots.** Students earn volunteer hours required for graduation.
